1 · Services

Provider grants Customer a non-exclusive licence to the NextPDF engine for the term of this Agreement, together with onboarding and the service levels set out in Order Form OF-2026-0311.

2 · Fees and term

Fees are invoiced annually in advance. The Agreement renews for successive twelve-month periods unless either party gives written notice sixty days before the end of the current term.

3 · Integrity and authenticity

This counterpart carries a PAdES B-LTA approval signature and archival timestamp update. The signature evidence binds the covered bytes, while the DSS carries the validation material used for long-term validation.
